Volunteer Crew

This year, the Chilliwack Connect Committee will host its annual Chilliwack Connect event on Saturday, October 28, 2017, at First Avenue Christian Assembly. Previous year's events were a great success providing over 600 guests with food, clothing, haircuts, and most importantly, lasting community connections.

Chilliwack Connect is a community-based event. It is organized and hosted by local service agencies, churches and volunteers. This event is not funded by government. We are seeking community donations of supplies and funds to cover the costs of food and minimal organizing expenses. In previous years some of our major supporters included, Hofstede's Country Barn, Starbucks, Meadow Valley Meats, Johnston's, Agropur Foods, the City of Chilliwack, Chilliwack Real Estate Board and many, many more.

Our service providers on this day will include, but not be limited to, the Ministry of Social Development, Fraser Health, the Salvation Army, the Mennonite Central Committee, Ruth & Naomi's, Cyrus Centre, Ann Davis Transitional Society, Pacific Community Resources Society and many others.

This year we hope to reach even more individuals and families within our community. Our goal is to help people improve their quality of life by linking them to lasting service connections. We aim to reach this goal by providing direct services on site, rather than simply offer referrals or literature. This will include access to government services, health care, outreach and advocacy services, employment counselling and assistance, on-site child care, haircuts, foot care, clothing, food and much more.

We cannot run this event without your support. Your donations or presence as a volunteer will send a positive message to the community and to the hundreds of people who are homeless or in desperate need.

Thank you for considering making a donation to the Chilliwack Connect event. This event would not be a success without your support.

Sincerely,
